Dear Sir:

The American Society of Tropical Medicine has established an award for accomplishment in the field of tropical medicine. This takes the form of a medal called the Walter Reed medal. I am directed by the President and the Council of the Society to send to the American Numismatic Society (? of New York City) a copy of the medal for permanent deposit.

Will you kindly inform me as to whom I should specifically address for this purpose? Your advice in this matter will be very much appreciated.

Very sincerely yours,

N. Paul Hudson
